Collin Hoffmeyer – Business Services Coordinator, Michigan Works Northeast Consortium

Dear Alayne, Kim, Rey, Collin:

We were recently in receipt of funds in excess of \$178,0000 for participating the State sponsored STTF program. All of us at Arauco wish to take his opportunity to express our sincerest appreciation, not only for the financial support for the technical development of our staff, but for executing our application in a very professional and courteous manner.

Throughout the entire process, we have been treated with the utmost respect and consideration. The Michigan Works Northeast Consortium team continues to be true partners of Arauco. Consequently, we feel very welcome in the region and happy to be guided by a team who not only has a deep care and concern for the citizens of Michigan, but also for our business. Please pass on our gratitude to anyone we have not acknowledged in this communication.

In appreciation and on behalf of all Arauco staff,

Matt Gibbon, Plant Manager

Alan Mabarak, Manufacturing Development Manager

Renee Reed, Training Coordinator

Joseph Contreras, Training Coordinator

Anthony DiGasparro, Business Development Manager
