The Honorable Rick Snyder
Governor
P.O. Box 30013
Lansing, MI 48909

Dear Governor Snyder,

On behalf of Crandall Office Furniture, I would like to express our appreciation for the workforce development services provided by West Michigan Works! We are a small office seating remanufacturing company based in Greenville Michigan. I started the company in 2002 and we have grown to 10 employees operating out of a 34,000 square foot building.

West Michigan Works helped us find the instruction and equipment we needed to expand our sewing capabilities. We had 5 employees receive professional sewing training and added three new industrial sewing machines to allow us to expand our services with several large customers.

West Michigan Works bent over backwards to help us find the resources we needed to continue growing and prospering. People make the difference in our business and it certainly is the case for West Michigan Works as well. Everyone we met in this process loves what they do, and it shows in everything they have done for us.

Sincerely,

Stephen Crandall

President
