P.O. Box 30013

Dear Governor:

ComForCare Northern Michigan offers superior in-home services for seniors and VA veterans throughout Northern Michigan. As the President and Franchise Owner I am passionate about the variety of services that ComForCare provides. We've earned our reputation in this high-demand industry with our expertise and compassion.

Michigan Works! has risen to the challenges in our area by partnering with our business and providing avenues to help with our needs. This letter serves as my appreciation of Jennifer Coughlin at Michigan Works! Northeast Consortium. She has partnered with us in the search of new employees with hosting us many times for in office job fairs at their Gaylord location. With referrals of customers they are working with that are looking for work. This year we hired a new employee that was referred from Jennifer and the Gaylord staff and we were able to use the On-The-Job Training Funds to get our new employee proper training as a Home Health Aide with this program.

The short term wage reimbursement with new hires that is offered by Michigan Works helped us with assisting us during the training period of our new employee. Jennifer walked me through step by step of the process and made it almost effortless. We are hoping to be able to use this program again in the future if the opportunity arises.

Thank you for your time and for your commitment to Michigan Works!

Sincerely,
