

Rapid Tooling Systems
555 Plymouth Ave. NE
Grand Rapids, MI 49505

August 2, 2017

The Honorable Rick Snyder-Governor
PO Box 30013
Lansing, MI 48909

Dear Governor Snyder,

On behalf of Rapid Tooling Systems, Inc. I would like to express our appreciation for the workforce development services provided by West Michigan Works! We are a small tool and die company in the Grand Rapids area and have been in business now since 2013.

I connected with West Michigan Works! because we needed assistance with finding apprentices that wanted to work in the tool and die trade. Also, they helped with funding for training for new hires that we recently had. Michigan Works! helped us reach our goal of placing two new apprentices and the training of two new employees with this program.

Our company has benefited by working with West Michigan Works! due to the information and funds for the training of new employees that they provided. We found the most valuable thing about partnering with West Michigan Works! for the knowledge and information that they were able to provide to our company during this time of growth for our company.

Sincerely,

A handwritten signature in cursive script that reads "Melissa M. Symanski".
