The Honorable Rick Snyder
Governor
P.O. Box 30013
Lansing, MI 48909

Dear Governor Snyder,

On behalf of Anderson Global, Inc., I would like to express our appreciation for the workforce development services provided by West Michigan Works! Anderson Global as a leader in precision tooling design, engineering, and prototype to production tooling and casting solutions.

I connected with West Michigan Works! because I needed assistance training our existing skilled workforce with the latest technology to keep us competitive in the global marketplace. Michigan Works! helped me reach my goal of training these workers in house, which helped us reduce lost time while training.

My company has benefited by working with West Michigan Works! because they are passionate like we are about growing manufacturing in Michigan.

Sincerely,
