The Honorable Rick Snyder
Governor
P.O. Box 30013
Lansing, MI 48909

Dear Governor Snyder,

This letter is to show our appreciation for Michigan Works and the grants provided allowing them to provide services to our community to help employ individuals with some job experience but maybe not the required experience for some positions.

Recently, we had an opening for an Administrative Assistant position and was not having success in finding a qualified candidate until we pulled a resume from the MI Talent Bank. We interviewed the candidate and upon their acceptance of the position we were able to participate in the On the Job Training Program to fully train the candidate for this position. In doing so, we now have a great individual working on our team who has shown great success at what they are doing and continues so each day.

Thank you for the support in programs such as these that help support our community and employ individuals who may not be fully qualified for a position but can obtain the qualifications through programs such as the OJT.

Sincerely,

Joel Blohm
General Manager
