2100 Pontiac Lake Road
Building 41 West
Waterford, MI 48328

Dear Mrs. Llewellyn,

I would like to acknowledge the great work of the Oakland County Michigan Works Southfield program. The Southfield Treasurers office has maintained an excellent relationship with the program giving young people the opportunity to receive much needed work experience for a successful career.

There have been many students that started working in my department and have received offers to continue as permanent staff in the City of Southfield. We enjoy the time that the program participants spend with us, so we can see their compatibility to the needs of our department. The skills that are learned throughout the Michigan Works program provide building blocks that will help them in their future. Keep up the great work and we hope to continue to provide our next generation the ability to succeed.

Sincerely,

Irv M. Lowenberg, Treasurer
