Oakland County Michigan Works, Oak Park office worked diligently with me to assure the job order was posted on the Pure Michigan Talent Connect website, creating a promotional flier and distributed the hiring details of the event. Oakland County Michigan Works Oak Park staff has provided Dana with significant assistance in recruiting for the operator assembly positions as well as sharing Dana's job posting/job fair with their Michigan Works! network and on multiple social media accounts. We were impressed with the wide geographic range that was reached of potential applicants.

Oakland County Michigan Works Oak Park staff were of great assistance in coordinating Dana's job fair at Oakland Community College M-Tec, Auburn Hills accommodating more than 300 applicants from a number of surrounding communities.

It has been a pleasure to work with Oakland County Michigan Works Oak Park, along with Oakland Community College involved in this process. It is so reassuring to know that there are such dedicated people willing to work with Michigan employers in order to successfully assist in funding talent implementing programs such as On the Job Training, in order to provide job security for our hard-working staff.
