Director of Workforce Development for Oakland County  
Oakland County Michigan Works: Southfield  
21415 Civic Center Drive, Suite 116  
Southfield, MI 48076

Hello Director,

Jeffrey Granat and his staff provided me with information, guidance, and suggestions for developing and finding talent for EJH Construction. As HR Manager of a local construction company, I am always seeking laborers and carpenters. I believe EJH Construction and the Southfield Michigan Works Office can build a lasting sustainable partnership for employment opportunities.

Individuals with carpentry knowledge and experience are becoming increasingly harder to find. Partnering with Michigan Works of Southfield for task such as career fairs, school partnerships, salary data, etc. will help EJH Construction maintain a steady pipeline of local talent.

I look forward to attending the Skilled Trades Talent Fund Event on August 22, 2018 in Waterford, MI and the Suburban Collection Showplace on November 28, 2018 in Novi, MI.

Best Regards,

**Eddie Thornton**, Human Resources Manager
