To Whom It May Concern,

We at Kroger would like to express our appreciation to the great people of Michigan Works for their efforts to help with staffing our newly remodeled store in Brighton, Michigan. We have had numerous hiring events at both the Howell and Novi locations and the staff at both of these locations is beyond helpful.

They notify the community of the specific dates we will be there looking for potential candidates to join our team and they promote the exact jobs that we have open and try to match the candidates that they have with our current needs.

We are beyond grateful for your partnership and we look forward to continuing the relationship we have with Michigan Works to assist in staffing our company with the great candidates they continue to provide for us.

Thanks again for your assistance with this!

Alyssa Prokes

Store Management
