Dear OCMW Staff,

I first want to say thank you for being so helpful and accommodating in regards to scheduling Open Hire Events to help us staff our store. Your staff is always so kind & helpful and make it a real joy to spend time there trying to find new associates.

I though the job fair was well planned and there was obvious attention to detail; thank you for the table cloth you gave us until my partner for the day brought ours! It was well planned and seemed to flow very well. The Pontiac Office has always had a warm and inviting feeling every time I have come to hold an open Hire and this last time was no different. I look forward to my now Monthly Open Hire Events at the Pontiac location! At this point we have made at least 1 hire and I am hoping a few more of the people I spoke with last week will become part of our Kroger family. The biggest part of your efforts is giving me a place to essentially advertise our Open Positions in person outside of my store which is very helpful! Having computers right there where they can apply online if they are truly interested also helps potentially speed up the process of recruitment!

All in all, thank you for being such a helpful resource for my store and I am sure several others!

Sincerely,

*Jennifer Layne*
