

Letter of Support

9/18/2018

Dear Mrs. Llewellyn,

First of all we want to say how thankful we are and let you know how appreciative we are for the support being afforded to us. Partnering with your system has had a direct enhancement and positive impact on our employees. At Rayconnect we believe that employees are our greatest assets and we want to be able to give them the necessary tools to do their jobs to their best ability.

The process was very smooth due to our Business Services Representative, Sarah Kropinski. She was a great wealth of knowledge and a support system for us. She really gave us the confidence that we needed to move forward with some of the local and state incentives for hiring and upskilling our workforce, which at first glance seemed like a daunting task. The partnership with Michigan Works! was wonderful due to Sarah and having her as a partner at the beginning, in the middle and throughout the entire process. Not only was Sarah there as a resource whenever I needed her but she is such a wonderful person to work with as well.

Once again, a BIG thank you to the State of Michigan and Sarah – these services have really made a positive impact on us at Rayconnect.

Thank you and have a wonderful day.
