Re: BIG THANK YOU!

Dear Mona Diegel,

I would like to take the opportunity to inform you about the wonderful experience that we encountered at the Oakland County Michigan Works! Novi Center. And to say thank you to you and the entire Novi staff for all of your help and support over the past few months with helping our staffing needs in the MI area.

I chose the MI Works location in Novi with hopes of finding local candidates who are looking for work and help support the local community. MI Works is an amazing organization for employers looking to fill their current openings. Your assistance in posting the job ads on social media and the other programs and resources was amazing.

The ability to interview and onboard candidates in a clean and private room, with no charge to the company, is by far the best perk. Your staff could not be more helpful, pleasant, or accommodating. I don't think I've seen anyone who didn't have a smile on their face. You can see how well everyone works together and helps everyone that walks through the door. Thank you for being so kind.

Sincerely,

Melinda Montoya
