

Funding Kids' Future

March 28, 2018

The Honorable Rick Snyder
Governor

Dear Governor Snyder,

On behalf of The Goodies Factory Inc., I would like to express our appreciation for the workforce development services provided by West Michigan Works! We are a small employer in Holland manufacturing gourmet popcorn and cookie dough for the fundraising industry here in Michigan and across the United States. We have been in business for over forty years.

I connected with West Michigan Works! because I needed assistance with being able to send employees to a FSPCA Preventive Controls for Human Food training seminar. West Michigan Works! helped me reach my goal of three employees being able to attend the training seminar held in Paw Paw, Michigan on February 20-21, 2018.

What I found most helpful and valuable about partnering with West Michigan Works! is how they assisted me through the whole funding process and made attending the FSPCA seminar an enjoyable experience. At the same time this seminar helped our corporation understand the requirements of a new and complex regulation mandated by the Federal Government so that we may more safely provide the goods we manufacture.

Sincerely,

A handwritten signature in black ink that reads "Rick Wiersma".
