The Honorable Gretchen Whitmer  
Governor  
P.O. Box 30013  
Lansing, MI 48909

Dear Governor Whitmer,

On behalf of ITPartners+, I would like to express our appreciation for the workforce development services provided by West Michigan Works!

ITPartners+ is a small business providing technical consultation services to the greater Grand Rapids area for the last twelve years. Because of the West Michigan Works! programs, we are able to assist our employees with education. This not only helps them achieve their goals but gives us more knowledgeable employees and equips us to provide top-caliber IT services to our community.

Thank you for this valuable program.

Sincerely,

Jonathan Highman  
Chief Operating Officer
