To whom it may concern:

On behalf of Kelly Services, I would like to express our appreciation for the services provided by the team at MI Works Novi / Wixom. I have worked with several MI Works offices and am thrilled to have partnered with the Novi / Wixom location – they go above and beyond. Kelly Services, a global workforce and talent solutions provider, has large projects locally and the staff at the MI Works Novi / Wixom location are an integral partner in providing resources and qualified candidates for our job opportunities.

The MI Works Novi / Wixom team, specifically Yvette Hughes and Mona Diegel, are outstanding. Our partnership is a great fit in that we can support one another's needs professionally. I connected with Yvette as Kelly Services needed assistance in staffing manufacturing and assembly candidates with our clients in the local market. Yvette has provided numerous resources to support our needs including job posts, social media blasts, hiring events and talent recruitment that have been highly beneficial in reaching our goals.

Kelly Services has benefited by working with MI Works Novi / Wixom in that they have provided consistent, reliable and outstanding services. This team's character is evident in their work ethic and effort in making us a success with our clients. I look forward to continuing our valued partnership and am truly thankful for their services.

Sincerely,

Alicia Fitchett, Sr. Recruiter / Staffing Supervisor
