*Skilled Nursing & Sub-Acute Rehab*

To Whom It May Concern;

During the period of April 1- April 26; I utilized the services of MIWorks! Pontiac division.

Our firm was undergoing a mass hiring in multiple departments. Employment Services Agent; Theresa Anthony of the MIWorks! Pontiac division was essential to our success.

Ms. Anthony recommended a multi-tiered approach to hiring the personnel that we required. Some of her recommendations included; created a job posting on the MITalent website, searching for specialty talent in the talent bank and conducting a job fair at the office.

Using these resources, we hired two exceptional candidates for our team. One candidate has been employed in an Administrative Assistance capacity. She was a job fair applicant. Another candidate is a seasoned Certified Nursing Aide; we located her resume in the talent bank.

If we did not utilize MIWorks! Services; we would not have located two exceptional individuals to add to our team.

I recommend the services of MIWorks! to any employer seeking alternate methods to find skilled talent in the area.

Sincerely;

Denisa Lamanna
