RE: LOR – Michigan Works (MIWorks)

To Whom It May Concern:

I am writing this letter on behalf of my Company, Natural Choice Foods and Daily Deals Food Outlet. We are a West Michigan based, family-owned company. A portion of our business focuses on offering savings opportunities to the communities around us. We are very thankful we have MIWorks to assist us along the way. This past fall we planned to open our 5th Daily Deals location in the Muskegon area. Our new store location wasn't due to open until the 1st week of December. To meet the hiring requirements of having staff hired and trained prior to the new location opening, we had to find a solution as to how to get talent in front of us first to start the interviewing, screening and pre-employment process. We were thankful to be able to have MIWorks as a partner. MIWorks played a major part in helping keep things organized, by sending out blitz announcements regarding a two-day Employer of the Day Event, scheduling rooms to hold interviews, large classrooms for on the spot interviewing, as well as holding New Hire Orientations. During the two month period we partnered with MIWorks for 7 "Meet the Employer"/Interviewing Events and 4 Onboarding Events. All went through without a hitch!

I personally worked very closely with Jamie McGrane at the Morris Ave. location. Jamie was very quick to respond to any question and or concern we had. Jamie and the staff at the Muskegon location provided top notch service to our company, as well as assisted candidates looking to join our team.

Natural Choice Foods
5899 Comstock Park Dr. NW Comstock Park, MI 49321
Phone 616.248.0603 Fax 616.452.1781

I would highly recommend other employers that have not had the opportunity to connect with MIWorks to do so. We will continue to partner with MIWorks in the future as well.

Sincerely,

Julie Clay
