The Honorable Gretchen Whitmer
Governor
P.O. Box 30013
Lansing, MI 48909

Dear Governor Whitmer,

On behalf of Scarlett Inc., I would like to express our appreciation for the workforce development services provided by West Michigan Works! Scarlett is a small company that has been in business for over 50 years. Scarlett sells and services CNC machines, a variety of wood working machines and 3D printers. I have been with the company for over 2 years in the service department.

Scarlett connected with West Michigan Works! because I needed a more in-depth training with Fanuc systems. Michigan Works! helped me reach my goal of becoming more proficient in my job and adding value to the company. West Michigan Works! has given me the chance to offer more to the company and its customers with more efficient services on Fanuc systems.

Sincerely,

Christopher A Baker
Service Team
